Subject: Narkomed 6100 Advanced Platform Upgrade Kit

An aftermarket update kit is now available for upgrading Narkomed 6000 customers to the new Narkomed 6100 Advanced Platform Model. This platform is designed to better accommodate future upgrades with a 15-inch flat panel monitoring display that offers a larger viewing area and greater resolution.

Pricing

Upgrade Kit (part # 4116085)	$5000
Installation Charge	Approximately 4.5 hrs labor & travel
